POINTS AND AUTHORITIES

Fed. Rule of BK Procedure 9006(b)(1) states:

(b) Enlargement.

(1) *In General.* Except as provided in paragraphs (2) and (3) of this subdivision, when an act is required or allowed to be done at or within a specified period by these rules or by a notice given thereunder or by order of court, the court for cause shown may at any time in its discretion (1) with or without motion or notice order the period enlarged if the request therefor is made before the expiration of the period originally prescribed or as extended by a previous order or (2) on motion made after the expiration of the specified period permit the act to be done where the failure to act was the result of excusable neglect.

The attached Declaration of Counsel attests that Debtor Liborius I. Agwara presently has three appeals in various stages of preparation, and GEORGE R. CARTER, ESQ., is counsel on all of them.

In case BAP No. NV-15-1221, the matter is awaiting setting for oral argument.

In case (APG case Appeal Reference 15-33), Appellant's Opening Brief is complete and has been filed.

This leaves the instant case- Appeal Reference 15-30 for which the Answering Brief was filed on November 25, 2015.

Additionally, counsel is preparing for conference on December 22, 2015 with regard to two adversary proceedings against Debtor.

///

1
2 Counsel for Debtor is overwhelmed with all the deadlines close together, and therefore
3 files this first request for an enlargement of time to file Appellant's Reply Brief for nine
4 additional days.

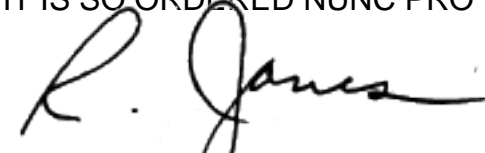

5 Appellees will not be prejudiced by an additional nine days to file the reply brief, and
6 the additional time will allow proper preparation and serve the interest of justice.

7 Wherefore, Appellant requests enlargement of time until close of business on
8 December 18, 2015 to file and serve Appellant's Reply Brief.
